

Chick mask

Have fun painting, cutting out, sticking and role playing too!

You will need

- Paper plate
- Yellow paint and orange card or paint
- Paintbrush
- Glue
- Elastic thread

What to do

- 1 Paint your paper plate and allow to dry.
- 2 Cut out two eye holes.
- 3 From the orange card, cut out a triangle for the beak and glue this to the face. Alternatively you could draw your triangle on the face and colour in with orange or red paint/crayons.
- 4 Make a small hole on either side of the mask. (This can be done with a hole punch).
- 5 Thread the elastic through the holes and tie at each end. Your mask is now ready to use. Have lots of fun role playing.
